**Come enjoy a tour of the Seven Wonders of the Ancient World! These incredible features were built before modern-day equipment was even a thought, and yet, today, one of these is still a major feature. Why were these made? How? Come learn of the beauty and majesty of the Seven Wonders of the Ancient World. In addition, learn what are considered the Seven Wonders of the Universe, through the beauty of 21st century technology.**

This program is for the general audience,  
In addition to the featured presentation, a short introduction to light and its problems in our society,

## **Losing the Dark**

will be given, and that will be followed by a tour of

## **The Skies above the URI campus**

an introduction to the night sky.

Admission is only \$5.00, to benefit the University of Rhode Island Planetarium Fund.

The University of Rhode Island Planetarium is located on Upper College Road, on the Kingston campus, just across the parking lot from East Hall.

The University of Rhode Island Planetarium is available for programs of many varied topics of astronomical interest.
