There was a pi- lot, name was Bob, He went to work each
When Bob went home, his shift was done, His seat-belt he did
Bob's dou- ble life was hard to take. He got P T S
For- get our Bob, for he is dead. His wife on food stamps
Spi- rit- u'l death is what once Mar- tin Luth- er King this

day. He loved to play his vi- de- o. Ne- va- da was his
wear. He kissed the wife and hugged the kids. Bob asked: "How was your
D. The Air- force kicked him off the job, but they re- fused to
lives. His kids in pris- on, how they rot for deal- ing crack co-
called: Re- sour- ces we drain for those bombs that no one can af-

base. He steered his drones from far a- way, and mis- siles he did
day?" The fam was fine, but he had killed, dead bo- dies torn to
pay. When pre- ex- ist- ing it was deemed, the streets be- came his
caine. As he flew Rea- pers through the blue, their fu- ture he would
ford. While so- cial up- lift goes to pot, war prof- it- eers we

guide, and his Hell- fi- re struck its tar- get half a world a-
shreds; for his Hell- fi- re struck its tar- get half a world a-
home; for his Hell- fi- re struck its tar- get half a world a-
dash; for his Hell- fi- re struck its tar- get half a world a-
feast. And our Hell- fi- re strikes its tar- gets half a world a-

way, but with aim a- stray, a wed- ding he did slay.
way, but with aim a- stray, a wed- ding he did slay.
way, but with aim a- stray, a wed- ding he did slay.
way, but with aim a- stray, a wed- ding he did slay.
way, but with aim a- stray, more wed- dings we shall slay.
